

# WARRANTY

FSIP warrants the repairs to this product in our General Repair Program (GRP) to be free from defects in workmanship and materials and to operate within the original specifications for a period of 90 days from the date of shipment (unless otherwise stated).

The liability of FSIP under the warranty for GRP is limited to repairing or issuing credit, at their option, for any electrical parts which ARE RETURNED BY PURCHASER during such periods, **PROVIDED:**

**(a) The PURCHASER contacts our GRP Customer Service Representative at 800-333-1194 for instructions to return unit.**

**(b) The defective unit(s) is returned to the FSIP where the repairs were made, transportation prepaid.**

**(c) FSIP has determined that the defects exist and have not been caused by misuse, improper installation, or alteration.**

**(d) Troubleshooting has been done before sending unit back in.**

NOTE: A test fee may also apply to NFF (No Fault Found) units. If warranty is rejected or determined NFF by electrical testing, credit may no longer be valid, and return shipping, repair, or replacement is at the expense of the customer.

FSIP assumes no responsibility for consequential damages of any nature, the Customer will assume all liability for the consequences of its use or misuse by their employees or others. This warranty is in lieu of all other warranties expressed or implied. Warranty does not cover labor, rentals or lost wages under any circumstances.
