General Repair Form

Please complete this form in its entirety and include it with your shipment. Also please include any wiring diagrams or service manuals that you have for this part. Any missing information may delay the processing of your service request.

Upon receiving your unit, FSIP will contact you with a quote before any repairs are completed.

Address

Phone: _____ Fax: _____ Email: _____

Purchase Order Number (if necessary): _____

*General Repair evaluation fee is **\$100.00**. This does not include the cost of repair. Larger, more complex units may require a higher evaluation fee. You will be contacted for pre-approval if a larger evaluation fee is required.*

Would you like the unit to be expedited for an additional \$100? Yes No

**Expediting guarantees your evaluation to be completed in 2 business days, and the repairs (if applicable) to be completed in 3-5 business days (provided no components must be ordered to perform the repair).*

Shipping Method: UPS RED (1 day) UPS BLUE (2 days) UPS GROUND
