Letter of Assurance

It is the policy of Flight Systems Industrial Products, ("FSIP"), to ensure compliance with all regulatory requirements associated with exporting of goods, services and technology. The purpose of this document is to ensure all customers are aware of and will comply to export laws and regulations, including U.S. and E.U. Export Control programs.

In case "we" or "us" are mentioned in this letter, it refers to the undersigned company, its subsidiaries and affiliates, and the references in this Letter of Assurance will have to be interpreted accordingly.

As a condition of doing business with FSIP, we, the undersigned company:

- Agree to comply with all applicable import and export control laws, regulations, orders and requirements, including without limitation those of the U.S., E.U. and the jurisdictions in which we are established or from which goods, services and technology may be supplied, used or received,
- Acknowledge that all goods, services and technology transferred by FSIP are subject to export control and sanctions laws and regulations, including without limitation the European Common Foreign Security Policy, Council Regulation (EC) No 428/2009 (EU dual-use Regulation), the US Export Administration Regulations (15 C.F.R. Parts 730 to 774), the International Traffic in Arms Regulations (22 C.F.R. Parts 120-130) and the Foreign Assets Control Regulations (31 C.F.R. Parts 500-598),
- Will in no event, directly or indirectly - use, transfer, release, import, export - goods, services and technology, and/or ask FSIP to drop ship goods to a consumer in violation of such applicable laws, regulations, orders or requirements,
- Acknowledge that drop shipments, exports and re-exports to parties who have been denied export privileged or debarred from an export transaction are prohibited,
- Will not undertake any activities that violate international export policies which seek to control nuclear proliferation, missile technology, chemical and biological weapons, as they relate to support of international terrorism,
- Agree that the goods, services and technology purchased from FSIP shall only be used for civil end-uses,
- Agree that exports and re-exports to embargoed and sanctioned countries are prohibited unless otherwise authorized by the corresponding U.S. or E.U. regulatory licensing authority.

Liability – Indemnification: We, the undersigned company, acknowledge that, violations against any export laws, sanctions and regulations, including those issued by the U.S. and E.U., may result in termination of business. If we embark on any course of conduct that leads to a violation of applicable export controls or sanctions, we agree to indemnify, defend and hold harmless TVH from and against any damages, liabilities, losses, costs, expenses and fees (including reasonable attorneys' fees) to the extent arising out of or related to customer acts or omissions. The obligation to comply with export laws, sanctions and regulations, including those issued by the U.S. and E.U., will survive any termination of business between FSIP and the undersigned company.

Confidentiality – Disclosure: The information herein may be disclosed to the appropriate governmental agencies and is subject to audit.

IN WITNESS WHEREOF, we have caused this Letter of Assurance to be duly executed in its corporate name by its duly authorized officer on behalf of the company and will adhere to the requirements as set forth in this Letter of Assurance.
