

## CHARGEPLUS 72V

This universal, high-frequency replacement charger is perfect for 72V golf cars, scissor lifts, NEVs, and more!

Choose from a selection of adapter cables for E-Z-GO, Gem, Star Car, Club Car, and Yamaha as well as popular Anderson SB connectors.

### FEATURES:

- Adjustable to 60 & 72 volts (12V-48V ChargePlus also available)
- Begin charge cycle with as low as 2 volts
- Float feature allows batteries to maintain full charge after charge cycle
- Standard SB50 DC connector to attach required adapter cable for your vehicle application
- Set to flooded lead-acid batteries (AGM, gel or lithium available by request)
- 2 year warranty
- UL approved
